

February Prayer Calendar

February 5

Laurel

Rev. Bob Burdett

Immediate concerns are prayer for our pastor's continuing good health and for God's presence and guidance for our Session. Like most small rural churches, our primary long-term need is for more of whatever it takes more of - Christ, members, income, Christ, members, mission, Christ, members - to be able to maintain our existence. Please pray for that!

February 12

Liberty Mission Creek

Rev. Jim McNeal

As a close knit community, we enjoyed the "old traditions" of Christmas with family and neighbors. Thanks to God's faithfulness, and with the support from our partner church in Wymore, we continue a faithful witness of Christ for those in our rural setting.

February 19

Lincoln Eastridge

Rev. Melodie Jones Pointon

Eastridge Presbyterian Church is very thankful for several new and recurrent ministries that keeps our building full! This past year we welcomed A+ Academy into our building, and have watched with delight as it has grown to include over 90 children! We are thrilled to host Boy and Girl Scout Troops, Alcoholics Anonymous, and the Lincoln Area Retired School Professionals. Other notable events over the past year have been hosting the Ethiopian Mission Network and Vacation Bible School. We are thankful for the opportunity to worship every Sunday, and are amazed at the talents of our staff and congregation. Weekly Lent and Advent worship services are also a highlight for our congregation. Our community has been blessed with a new ministry, Growing in Faith Together (GiFT), where we spend the second Sunday of the month worshipping, learning, and serving as one congregation. We pray for the Spirit's guidance as we plan for this upcoming year: VBS, trips to Switzerland, Northern Ireland, and Colorado, a musical camp for children, and a continued commitment to the onsite Food Pantry and the Maker Village in South Sudan.

February 26

Lincoln First

Rev. Sue Coller

Prayers for us as we welcome Kris Brammer, our new Director of Christian Education, to our ministry team the end of February. Also prayers for our session as we embark on a new year and look forward to strengthening our ministry in the downtown area. Thanks for a congregation full of ready, willing, and able people, without whom we couldn't do nearly as much as we do.
