

## August Prayer Calendar

**August 6**

**Wakefield**

**Rev. Charity Potter**

Wakefield is praising God for the opportunity to be mission partners around our community with many different organizations. We celebrate our faithful members as well as a decent number of regularly attending friends of the church. We rejoice that we once again have a Sunday School after a hiatus of many years.

**August 13**

**Walthill**

**Rev. Dean Ross**

Prayers are requested for the well being and prosperity of the Walthill congregation. May they continue to grow as a caring and nurturing Christian community, as well as individuals, focusing on prayer, Bible study and worship.

**August 20**

**Wayne**

**Rev. Teresa Bartlett**

Prayers are requested for the well being and prosperity of the Wayne congregation. May they continue to grow as a caring and nurturing Christian community, as well as individuals, focusing on prayer, Bible study and worship.

**August 27**

**Wymore**

**Rev. James McNeal**

We thank God for summer opportunities to be a visible and tangible part of our community. Our founder's day (Sam Wymore Days) float allowed us to present ways that Jesus touches our daily activities. We had a wonderful time sharing God's love with the youth of our neighborhood during our city-wide Vacation Bible School. Given the minimal opportunities in a small town, the congregation's goal is to love and prepare our town's kids to leave as Christians and citizens in broader communities. We look forward, with God's help, to the remaining events of the summer. We ask for your prayer support for our small but loving ministry.
